About Logistics Sector Skill Council

Logistics Sector Skill Council (LSC) was established by the Ministry of Skill Development & Entrepreneurship through the National Skill Development Corporation of India. It conducts skill training programmes in logistics through more than 2,000 training institutes across the country, and offers apprenticeship-based degree programmes that prepare graduates for supervisory roles in logistics companies.

About UdyogVikas Skills Council

UdyogVikas Skills Council is a DPIIT-recognised, Section 8 not-for-profit skill development organisation headquartered in Thane, Maharashtra. It is a Training & Channel Partner of LSC and an approved NIOS centre, and runs apprenticeship (NAPS / NATS), internship, job and training programmes with industry.
